Hi James,

Thanks for your message. As you know, we are on a streamlined timeframe for this NEPA process. Probably the best time for you to review the draft environmental impact statement is when it is available for the 45-day public review & comment period, which we anticipate this summer. As a person on our interested parties list, you will be notified when the draft is available to review. If you have any questions in the meantime, don't hesitate to reach out.

Best wishes,  
Melanie

Hi James,

Thanks for your message. I apologize for the delay in getting back to you, I was out of the office last week.

Our tentative timeline is to have a notice of intent for the General Management Plan Amendment sometime this fall. I'll add you to our email list of interested parties so you will get the notice when it comes out.

Thanks!

Melanie

Hi Ms. Gunn,

Hope this finds you well. Looks like this project is getting a lot of attention. I will be the lead NEPA reviewer for the project and I was wondering if you had any idea when we might see an NOI?

Also if you have any questions or info to share on the project please feel free to contact me,

Cheers,

James
